

Kedron Dells Golf Club

Rain Check Policy

Rain Checks will be issued under the following conditions only:

Where significant rainfall or lightning conditions has persisted for a:

Minimum of 1/2 hour (no earlier)

Rain Check Issuance:

- Pro Shop staff will record the time that **Rain** begins and rain checks will be issued **no sooner** than 1/2 hour after such time.
- **Drizzle** or **light rain** is not considered in this guideline.
- The club has provided rain shelters on each nine in addition to the centrally located clubhouse. The course shelters are located on hole 5 and hole 11.
- The individual golfer should carry an umbrella to provide rain protection in the event of a scattered shower or thunderstorm.
- Rain checks will **not** be issued simply because the golfer has become wet because of lack of rain protection.
- The Pro Shop attendant will scan your green's fee ticket and issue you a Rain Check with the appropriate credit applicable to a subsequent game at Kedron Dells Golf Course.
- Rain checks cover Green Fees, and all returnable items: golf carts, clubs, and pull-cart rentals
- The actual dollar value of the Rain Check awarded will be based on a formula related to the holes played when play was suspended.
